b)

Protection TREES IN RYDE ST JOHNS CONSERVATION AREA

Location **GREENACRE, 137 WEST HILL ROAD, RYDE**

No objection to the following:

- A Laurel group situated as detailed in the application to reduce in height to 6ft below the telephone lines and fell the trees with riven trunks to near ground level.
- B Laurel situated as detailed in the application to be felled to near ground level.
- D Ash situated as detailed in the application to be felled to near ground level.

Objection to the following:

- C Cherry situated as detailed in the application to reduce in height by 50% and to reduce the crown by 50%.

Reason: This tree is considered to be of particularly high amenity in the surrounding area and as such is an important feature. The work described in the notification is considered too harsh to address the problems described and could be resolved with less draconian work methods. For this reason the Council cannot justify granting permission for this work to be carried out.

Please note: This tree is now protected by a Tree Preservation Order (TPO/2015/19). All future requests for tree work will need to be made under application together with adequate supporting evidence. An application form is enclosed for your use.
