Dear Sirs

P/01743/12 – LAND BETWEEN 107 AND 117 NEWNHAM ROAD, RYDE – PROPOSED DEVELOPEMNTN OF 9 DETACHED DWELLINGS AND FORMATION OF VEHICULAR ACCESS AND PARKING

We have received an application to request a new road name for the above development and the developer has put forward three road names in their order of preference. They have provided their reasoning behind the first choice. The suggestions are: -

- **Trevors Mead** – (“Trevor was famous in Bellevue Road, Ryde. Now deceased. Emperor of all cats, he ruled the whole street for 18 years. Loved by all who met him - a real honey (mead) thus the name Trevor’s Mead”)

However, Island Roads view is that the development is off Newnham Road and is not near the residents on Bellevue Road who knew of Trevor. Therefore, the cat link to the area / this development is somewhat tenuous.

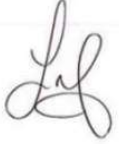

- **Paddock Close**
- **Brickfields Grove**

The names have been put forward to Royal Mail and they have confirmed that they have no objections.

Under [Section 17 of the Public Health Act 1925](#) the town council has one month from receipt of this letter to inform us if they object to any of the road names suggested. If the council decline the selection, please state the reasoning for the objection. We will then inform the developer and request they put forward other road names for the council to consider.

A copy of this letter has also been forwarded to Councillor Kilpatrick, should he wish to comment on the above.

Yours faithfully
